

Downloading Data Dictionary Wiki

You can download (export) the Data Dictionary Wiki 1.7 to a spreadsheet or computer XML file. Background information on RESO Data Dictionary can be viewed from RESO main website here: <http://www.reso.org/data-dictionary>

All Data Dictionary files (*e.g. Data Dictionary Spreadsheet, Data Dictionary in XML, etc*) can be downloaded from reso.org in the Data Dictionary page as mentioned above (**click [here](#)**). Please scroll down to the bottom of the page to view the download section.

The changelog can be found on this page: [Change Log Summary](#).
